FLOW CHART OF MY FATHER

1 Joseph Robert, man of early IBM data processing via penciled flowcharts.
2 Sound of a hand and forearm smoothly slid across a clean white page.
3 Warm belt from slacks, slid out and folded in half: "This hurts me more than it hurts you."
4 Ridicule removes unnecessary behavior.
5 Smirnoff vodka over ice.
6 This is discipline. Apology is unnecessary.
7 Immobilization equals control.
8 Admiration?
9 Truth is irrelevant.
10 Don't feel.
11 Esophageal varices, often occur in people with advanced liver disease.
